The source of data for Sections I-III is the Kentucky Health Survey Registry. Health facilities within the state submit their data through an internet based survey program. All Hospitals within Kentucky are required by statute to submit their discharge data to a vendor selected by the Commonwealth on at least a quarterly basis. The data can be found in the Kentucky Annual Administrative Claims Data Report. Cardiac Catheterization data will no longer appear in this report. Catheterization data can be found in the Kentucky Annual Administrative Claims Data – Cardiac Catheterization Report.

The Office of Health Policy produces a number of utilization and services reports. In addition to the Annual Hospital Utilization and Services Report, the following reports are available: Long-Term Care Report; Home Health Services Report; Private Duty Nursing Report; Hospice Report; The Kentucky Magnetic Resonance Imaging Services Report (MRI); Megavoltage Radiation Services Report; Positron Emission Tomography (PET) Report; Ambulatory Surgical Services Report; and the Psychiatric Residential Treatment Facility Report. These reports can be downloaded from the following web site: <http://chfs.ky.gov/ohp/dhppd/dataresgal.htm>. Hard copies of the report can be obtained by contacting the Office of Health Policy by mail, email, phone, or fax.

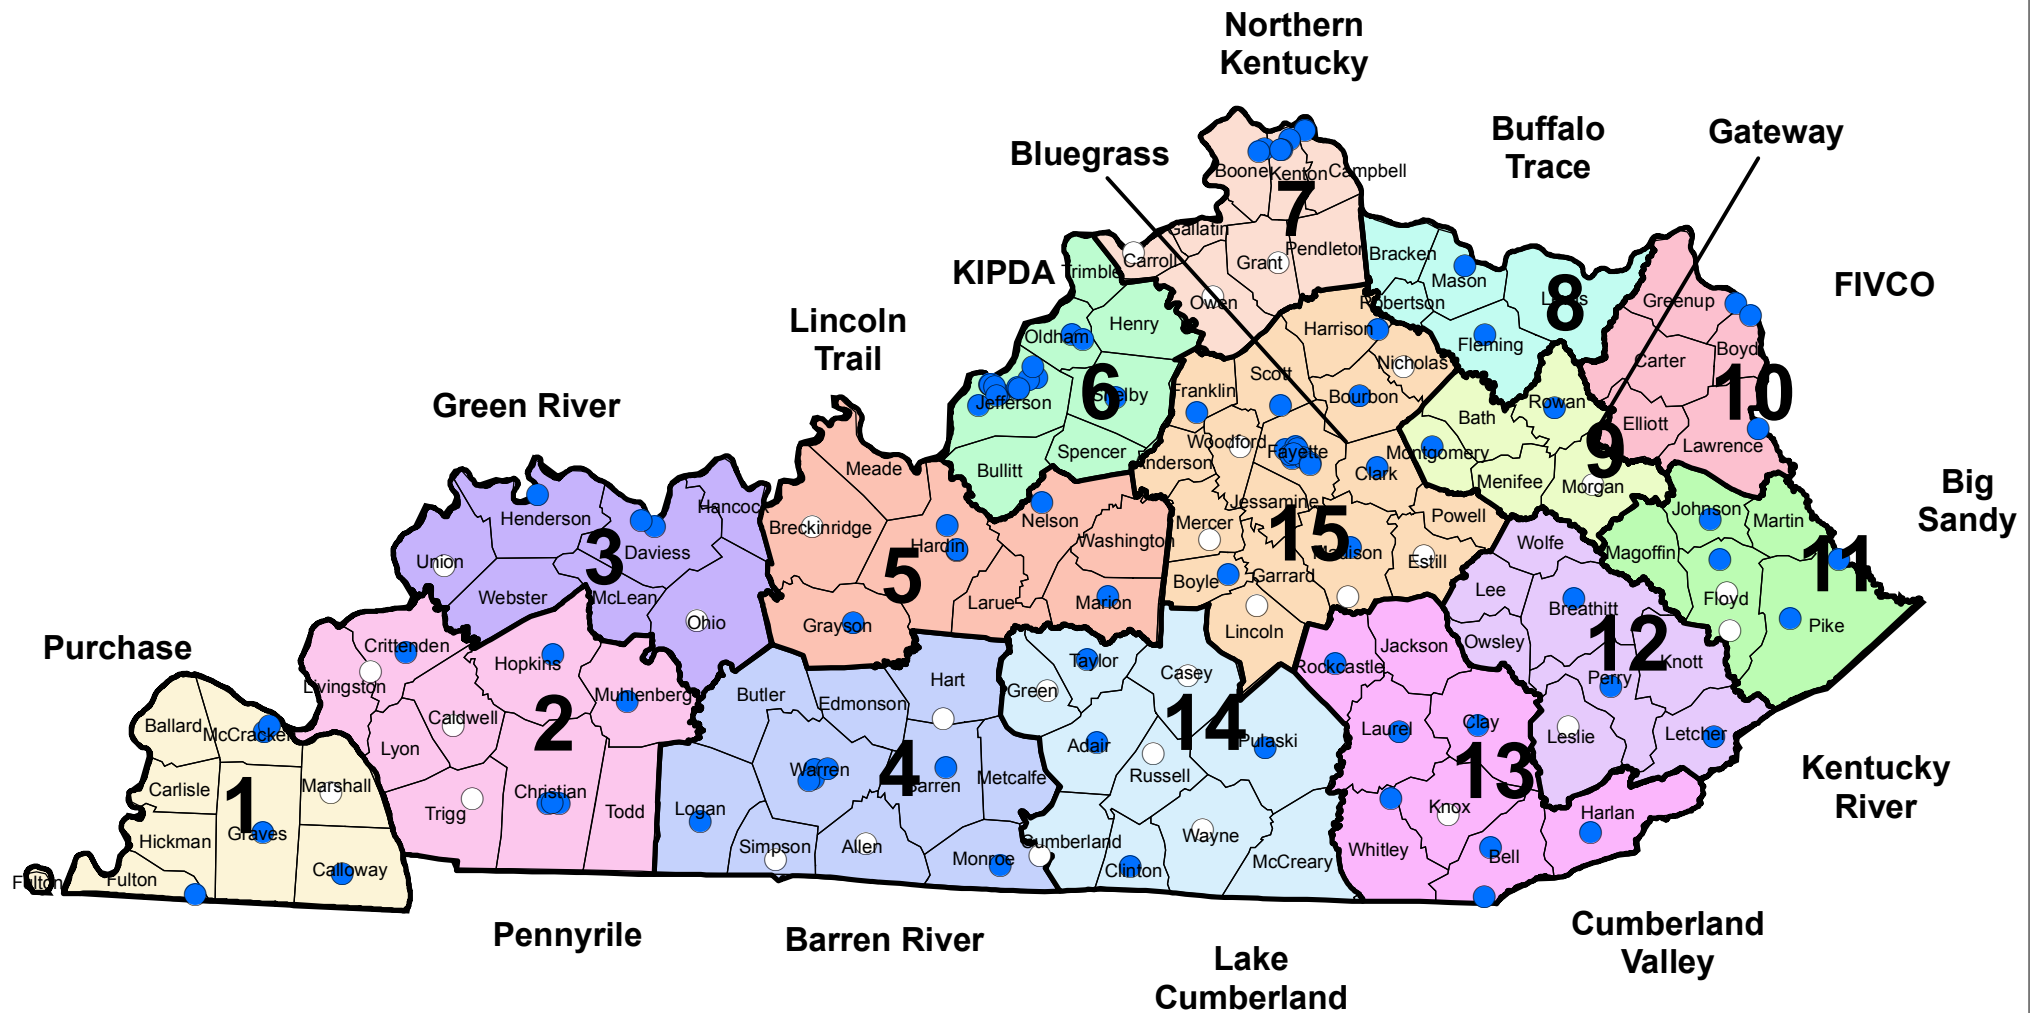

Data regarding the performance of megavoltage radiation services has been removed from this report. Information regarding such services which are provided at free-standing facilities as well as hospitals is now set forth and published in the Kentucky Annual Megavoltage Radiation Services Report. Data regarding Positron Emission Tomography (PET) services are not included in this report, but can be found in the Kentucky Annual Positron Emission Tomography Services Report. Those reports can be found at [www.chfs.ky.gov/ohp/dhppd/dataresgal.htm](http://www.chfs.ky.gov/ohp/dhppd/dataresgal.htm). For purposes of compliance with the State Health Plan, the information contained in the Megavoltage Services Report and the Positron Emission Tomography Report is hereby adopted and incorporated by reference as if set forth fully herein.
